STOP the QUARRY

- Hundreds of extra HGV lorries up and down Chorley Old Road and through Horwich Town Centre every day
- Huge development in Greenbelt
- Millions of tons of waste dumped in this beautiful area.
- This smelly and dusty waste will affect Horwich AND surrounding areas.

Serious environmental concerns are being ignored. Together, we can stop this development.

Rivington Against Greenbelt Exploitation – See www.bheag.co.uk for more information & getting involved
